Atala Montessori School for Creative Expression has a full summer of academic support and creative activities planned for everyone from 13 months up through 8th grade. Children are grouped by ages (toddler, preschool, and elementary / middle school) based on the grade your child will be entering in the fall. We will follow CDC guidelines for class size and daily structure.

Each camp session is one week long and has a special theme. Please note there will

Your child must be registered for the entire week. We are not able to offer refunds because of illness or other issues. Therefore, if your child is expecting to attend partially for a week, they will still be charged for the entire week, not the days they were there for. Because of the reduced size of the age groups, there will be no half-days or partial week registrations. No spots can be guaranteed past the registration deadline. Last-minute spaces may be available on a case-by-case basis.

We ask that you register for each session ahead of time as the groups fill up quickly. Please contact **786-738-1210** or **information@atalamontessori.org** if you have any questions
